

include/linked_list.h

```
graph TD; A[include/linked_list.h] --> B[stdlib.h]; A --> C[stddef.h]; A --> D[stdio.h];
```

A diagram illustrating the preprocessor directives in the file `include/linked_list.h`. The file is shown in a grey box at the top. Three blue arrows point downwards from the bottom of this box to three separate white boxes below it. The boxes are labeled `stdlib.h`, `stddef.h`, and `stdio.h` from left to right, indicating that the header file includes these three standard C headers.
